

# BREAST THERMOLOGY CLINIC

The Centre for Health & Well Being is excited to be hosting a day clinic  
with *Therma- Can Inc.*

**On Sunday, June 2, 2019**

Thermology is a **safe, sensitive, non-invasive method** of evaluating breast tissue **without** radiation, compression, needles, or contact.

The value of the imaging, analyzing, and the written report provides identification of dysfunctional changes at the cellular and tissue level.

It is perfect for all women of all ages and with all types of breasts. This includes, dense, pregnant, breastfeeding, pre and post-menopausal, fibrocystic, breast implants or reductions, mastectomies, and women on HRT.

Also offered is thyroid and carotid artery scans at an additional cost.

For more information or to book your appointment:

Phone or email Brenda Atkinson at

[batkinson@thermacan.ca](mailto:batkinson@thermacan.ca)

866-681-8847 ext. #103

Cost is \$262.50. Appointments are approximately a half hour in length.
